Who we are

Donnybrook Community Resource Centre Inc. (DCRC) is a community owned and managed not-for-profit association working towards providing improved contracted services of a Business, Economic and Social Development nature within our community.

Our main funding is provided by a state government awarded contract through the Department of Primary Industries and Regional Development (DPIRD). Additional funding is gained through The Preston Press, 'user pays services' and one-off grants for specific projects. For this financial year the CRC engaged 1 full-time Manager (working 37.5 hours per week) 1 Assistant Manager (working 22.5 hours per week) and a Trainee working 37.5 hours per week. We also employ an Editor for the Preston Press newsletter for 56 hours per month. Working alongside the paid staff are our Volunteers who give their time so generously and for which we are forever grateful. All of this empowers the Donnybrook CRC to offer quality services to our community.

This year we applied for and received various grants to augment our services.

- Volunteer Southwest grant for holding a Thank a Volunteer Day event
- DPIRD grant for Technology and Innovation which was used for computer upgrades
- DPIRD grant for Video Conferencing Services to update our video conferencing facilities
- International Day of People with Disability awareness event
- Grants from Bendigo Bank, DCRC, Lions Club of Donnybrook, Donnybrook Balingup Shire, and RAC for the Donnybrook Town Team project - Donnybrook Dunny Do Over.

We belong to many professional agencies including the network's peak body, Linkwest and we are incorporated under the Associations Incorporation Act 2015 (WA).

The members of the Donnybrook CRC association elect a Management Committee, all of whom are voluntary workers, who administer the management and governance of the organisation.

Our Values

- Community First
- Service Orientated
- Participation and Involvement
- Ethical and Professional
- Continuous Improvement

Our Mission

Building resilience and sustainability with members of our community, community groups and businesses.

Our Vision

To develop and enhance community by providing educational, business, and personal opportunities, to the people of the Shire of Donnybrook / Balingup, thus improving capacity, resilience, wellbeing, and lifestyles.

What we do

Access to government services

- Access to local and state government information and services
- Video conference services
- Services Australia Centrelink Agent
- Information, displays and support for government agencies

Economic and business development support

- Traineeships, work-for-the-dole, work experience and volunteer opportunities
- Referral services to business development and employment support services
- Facilitation of business development workshops, seminars, and initiatives
- Business support services and information

Social development support

- Referral services to social support agencies
- Facilitate social development activities, workshops, and initiatives
- Provide information and support

Services and products

 Social conscience approach in providing access to services and products which have strong local demand but are not economically viable to deliver in a for-profit business model

Building community connections

- Communication strategies including our community newsletter, website, and social media
- Community social events
- Engagement with community via surveys, group meetings and offering not-for-profit groups free membership

Chairperson's Report

Donnybrook the Gateway to the South West

Donnybrook Community Resource Centre (DCRC) comprises of a team of 8 dedicated volunteers who form the Management Committee, 5 paid staff, 55 members and numerous volunteer helpers. This Annual Report expresses a snapshot of the year's activities and events.

The community is extremely lucky to have the team of Sue Martin, Manager and Graham Burns, Assistant Manager who continue to work energetically for our community. Together they keep the Community Resource Centre ticking along with few hiccups and a lot of positivity.

Our new Trainee, Amanda who commenced in February is fitting into the team extremely well. Amanda is doing a Certificate 3 in Business Administration, and despite some personal injury issues during the year has maintained her studies and is well on track to complete her Traineeship early in 2024.

During the year, we have called on one of our past Trainee's in Ryan Burns to fill and relieve at the centre whilst people have been on leave. Thank you Ryan, you fill a valuable role when needed.

Shendelle Mullane continues to showcase her amazing skills and editorial knowledge in the production of the Preston Press. With Shendelle's skills, this publication continues to give our community some interesting news stories. Assisting Shendelle is Sarah Hornsey who has been doing some interesting articles on people in our community.

The Donnybrook Town Team movement has achieved some amazing goals in completing the Dunny Do Over, the public toilet block

adjacent to the Railway Station. This project was about consulting the community on what they wanted, engaging an artist to design and draw the mural onto timber panels which the community painted under the guidance of the artist. The end result is a vibrant mural on the public toilets in the main street which attracts a lot of attention from visitors and locals alike. More projects are on the agenda which include beautifying some of the alley ways in the main street, an Orchid and Art Trail to mention a few.

We do rely on volunteers who are an integral part of our team. Whilst we have several of these volunteers, I would like to recognize Debbie Bourke who volunteers her time unconditionally.

The volunteers cover a vast range of jobs for both the centre and the Preston Press and to all of you, I say THANK YOU. Your work towards helping the Donnybrook CRC achieve its goals in making our community vibrant, inclusive and connected community is very much valued. Everybody Matters!

Lee Fitzgerald

Manager's Report

2022-2023 has seen changes for the Donnybrook Community Resource Centre.

I find my position as Manager of the Donnybrook Community Resource Centre very rewarding and keeps me in touch with our community.

I would also like to take this opportunity to thank all our staff, committee, and volunteers, who without, the CRC cannot function efficiently.

During the last five years I have been meeting more of our local business and association leaders to discuss opportunities for all in the Donnybrook-Balingup Shire.

Over the past 12 months we have seen a steady rise in new ideas, a range of new community partnerships and a host of new marketing strategies. We have been able to inform and generate interest in the community resulting in increased attendance at the CRC. We are looking forward to further increasing our reach into the whole of our shire.

Our Services Australia facilities have become stronger with us becoming an Agent. We have been an Agent for 2 years now, which entails better service for our community. This was highlighted when we all needed vaccination certificates. There was a large number of people needing assistance with setting up MyGov accounts and downloading of apps onto phones. We got through it with the help and patience of our community.

There has been a number of new referral and collaborative relationships strengthened over the last year. This is an important direction for the Centre as increasingly, funding and grant requirements demand collaborative

approaches to service delivery. We continue to value, maintain, and develop our relationship with the Shire, working with the Shire's Community Development team and collaborating on projects and initiatives of shared interest.

The relationship with the Chamber of Commerce has been strengthened, with monthly attendance at committee meetings, joint Business Sundowners and involvement in sub-committee activities and discussions around potential joint initiatives. As I am a committee member, representing the CRC, I look forward to increased awareness amongst Chamber members of our business services, and the possibility of service delivery to the Chamber itself.

The Donnybrook CRC staff/volunteers and committee are mindful of the current and potential future economic climate. We are therefore working to ensure that the community has access to empowering services and resources that enable individuals to manage their finances and prevent or manage long-term financial hardship.

We continue to provide opportunities for local community members to gain new skills, by providing traineeships, work for the dole and work experience opportunities. We feel this is an important investment in building the capacity of our community, increasing the skills and experience of job seekers, and making them more competitive in the labour market.

In addition to ongoing tender funding from DPIRD and a contract with the Services Australia as an Agent, we have been able to secure funding and generate income from a range of additional sources. Our conference room is getting more bookings for businesses that don't have a physical address, also community groups are utilising this facility. We continue to offer a range of fee for service

products and services, including computer and IT access, office and printing services, office and conference room facilities and equipment.

We have increased our range of one-on-one fee for services to include assistance and problem solving with electronic devices such as tablets and phones, and assistance with job applications and visa applications. We intend to extend these offerings in the future to include grant writing and other fee for service support for businesses and community organisations, drawing on the range of skills we have amongst our staff, and looking for opportunities to collaborate with local individuals, businesses, and organisations.

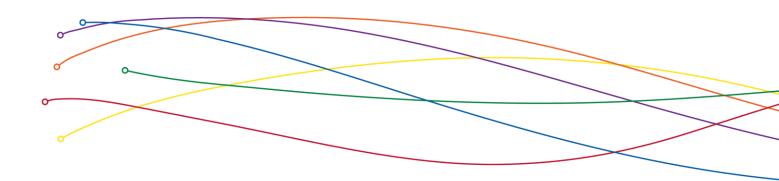

Thank you

Sue Martín

Government Services

Government Access Point

With Donnybrook located 35km from our nearest regional centre Bunbury, and 203km from the state capital Perth with very limited public transport, it can be challenging for local residents who need access to government information and services. As part of our contract with the Department of Primary Industries and Regional Development, and Services Australia, we support our local community to have improved access to government information and services by providing a number of these services at our centre.

Our exterior services sign

Via our Government Access Point, we provide free access to online and print resources related to local and state government agencies, as well as a selection of relevant non-government organisations, which offer community, support services. This service enables clients with a lack of internet access to navigate government websites to gain information without having to travel or wait in queues to speak to a call centre officer.

Videoconferencing Connections

Our video conferencing suite is modern and well appointed, allowing Donnybrook residents to connect with service providers in other locations to access support. The facilities are also used to run training sessions for CRC personnel.

Services Australia

We are now a Services Australia Agent. This will allow our clients to connect with Services Australia and meet their obligations without travelling to Bunbury. This facility is well used, which is reflected in our contract with Services Australia. It includes a touch screen PC, fax/printer, paper shredder, telephones, and brochure display.

Economic and Business Development Support

Throughout the 2022-2023 year the Donnybrook CRC offered a variety of workshops to our local business community. These included workshops that would appeal to business operators as well as job seekers in-line with our contract with the Department of Primary Industries and Regional Development.

We facilitated three Business Workshops over the course of the year. For those in our community currently seeking employment we engaged JSW Training & Community Services to present two workshops at the CRC on how best to promote themselves to prospective employers. These workshops covered up to date thinking and strategies for successful Resume writing and common interview questions and answers relating to Interview Preparation. The third workshop was in association with South West Women's Health who led a 'Women Leading Together' workshop with the theme of 'building up voices' and 'building on strengths'. This was an opportunity to recharge and meet new people and was open to all women in our community to attend and not just local business women.

We held two Business Networking events over the year. The first was in November which was an open invitation to all businesses and community groups in Donnybrook to join us in acknowledging our volunteers at a networking Sundowner. The second Networking Event was in June and was combined with our celebration of the CRCs Preston Press Newspaper 20th Anniversary. Representatives from the Shire Council and local business joined us in

celebrating this milestone event marking 20 years of continued community involvement. It was a wonderful opportunity to formally thank our volunteers, staff and contributors from the community who have helped make the newspaper the success that it is.

Workshop events held throughout the year:

Training/Workshops

- Cover Letter Workshop presented by JSW Training & Community Services
- Interview Preparation presented by JSW Training & Community Services
- Women Leading Together Leadership Workshop with South West Women's Health

Networking and Information Sessions

- Thank a Volunteer Business Networking Sundowner
- Business Networking event combined with 20 Years of CRC Preston Press celebration

Preston Press celebrating 20 Years

Social Development Support

The Donnybrook CRC has successfully provided a range of interesting workshops, information sessions and ongoing inclusion initiatives throughout the 2022–2023 year.

The CRC engaged different facilitators to provide the expertise for many of the workshops and information sessions offered throughout the year, although some were created and presented in-house by CRC staff. The CRC had the responsibility for creating all promotional materials, organising advertising and responsible for taking bookings and payments. The events were held either at the CRC or at external venues depending on attendance numbers.

We ran an introduction to computers workshop, Computing 101A, which was run one morning a week for two hours over three weeks at the CRC. This workshop was specifically targeted towards people with very little or no computer experience and aimed to build their confidence progressively over the three weeks.

Once again, the CRC hosted the annual 'International Day of People with Disability' celebration. This is an event which aims to raise awareness within the general community about disability and provides an opportunity for us to deliver specific information from various disability service providers in the South West. The event was held over a three-hour period under the platform at the Donnybrook Railway Station and attracted interest from 55 people over the course of the day.

We hosted a number of information sessions held during WA Seniors Week in November. Advocare ran an information session for us on Navigating Aged Care Services while local service providers ran sessions covering topics on Advance Health Directives and End of Life Decisions. The feedback was consistently positive and people were appreciative of having these issues presented for discussion.

We provided a variety of ongoing social initiatives that ran throughout the year. These included a fortnightly Produce Swap which has been running for six years now, the increasingly popular Donnybrook Street Library and Kirup Street Library, and Donnybrook Town Teams – Donnybrook Dunny Do Over project.

The Donnybrook CRC continues to publish the Preston Press Newsletter, which keeps residents in the Shire of Donnybrook-Balingup up to date with what's happening and achievements in the local community. Its continued popularity has allowed our Editor, Shendelle Mullane, and her team to maintain the average size of the paper at 48 pages over the past year.

Donnybrook Dunny Derby

Events and ongoing initiatives held throughout the year:

Seniors Support and Engagement

- Advanced Health Directives Information Session
- End of Life Decisions Information Session
- Navigating Aged Care Services Information Session
- Preston Retirement Village Information Session on Little Black Book of Scams

- Donnybrook Street Library in partnership with Donnybrook CHC and Men's Shed
- Kirup Street Library

Donnybrook Dunny Do Over - After

Services and Products

The Donnybrook CRC works to identify where services are required but may not be commercially viable for a business to provide.

As part of our commitment to make the Shire of Donnybrook-Balingup more liveable, we are always open to new business opportunities as these allow us to expand services available to residents as well as generate income to reinvest into other aspects of our business. The CRC is keen to hear from residents with ideas for business opportunities the CRC could pursue, or those who would like to discuss a business incubation approach with the CRC.

The CRC's monthly community newsletter 'The Preston Press' continues to grow in popularity, with FREE distribution of 2000 copies per month, for eleven months of the year.

The following services continue to be provided at the Donnybrook CRC:

Office and secretarial services

- Word processing
- High volume colour printing & copying up to A3
- Document scanning
- Laminating
- Document binding
- Document tri-folding
- CD/DVD burning
- Memory card readers

Access to the internet and other communications technology

- High-speed, low-cost internet access
- Laptop access ports
- · Video conferencing facility
- Webcams and headsets

Information from various government agencies

- Government Information Access Point
- Services Australia Agent
- Notice boards and brochure displays for government agencies

Job search assistance

- Employment opportunities notice board
- 30 minutes free use of computer for job search

Currently school health nurse in Donnybrook Local coordinator for Hands Up 4 Kids reading program

Community Club Expo

Staff Team

Donnybrook CRC is fortunate to have a staff team made up of dedicated and talented individuals who aim to deliver high quality service with a professional yet caring approach. This year our staff team has continued to improve a number of internal procedures thus streamlining our processes.

Manager

Sue Martin is the current Manager at the CRC responsible for managing the staff, coordinating the day-to-day operations, advising Management Committee about operational and governance issues, contributing to planning and policy development, and ensuring that contractual outcomes are achieved and reported to the Department of Primary Industries and Regional Development. Sue possesses extensive Office Administration experience gained whilst working at two Katanning based businesses as well as interstate businesses. Sue provides strong customer service to all clients with a willingness to ensure that the customer's needs are met.

Assistant Manager

Graham Burns is the current Assistant Manager. Graham works closely with the Manager in organising the events set out in the DCRC's Action Plan. Graham has a strong work ethic, always willing to add value to the team and has strong customer support skills.

Trainee Reception Officer

Amanda Walton is our new trainee who joined us in February this year as our Reception Officer at the CRC. She is working 5 days a week full-time for the duration of her one-year traineeship. She is currently working towards completing a Certificate 3 in Business.

Preston Press Editor

Shendelle Mullane is the Editor. The Preston Press continues to do well, with consistent advertising and plenty of interesting contributions from the community. The paper continues to attract new advertisers both within and outside of the Shire which is a testament to the paper's popularity, reach and effectiveness as an advertising medium. Of the 11 editions produced in 2021/22, eight were 48 pages long and three 56 pages. The Preston Press regularly receives positive feedback from readers.

Volunteer

Debbie Bourke is one of our longest serving volunteers. She has been volunteering 2 to 3 days per week over the past 5 years. She has provided valuable customer service on reception while upskilling in office computer programs.

Volunteer

Anne Wall has volunteered with Preston Press sorting/ distribution and in our reception position at various times over the past several years. Since January 2022 she has committed to three days per week assisting us on reception which has been invaluable to the smooth running of the CRC.

Bookkeeper

Michaela Raccanello is engaged as our bookkeeper by the DCRC to assist in updating and checking our financial processes.

Cleaner

Helen Samelko is the CRC's current cleaner. We especially notice the difference she makes during winter when many muddy boots visit the DCRC over the course of the week, but Monday morning when staff arrive, the floor is clean again!

Our Supporters

Government

Donnybrook CRC receives funding via contracts from Department of Primary Industries and Regional Development and Services Australia. These contracts provide our main source of government funded income and allow us to provide our wide range of services to our community.

Local Government

The Donnybrook CRC acknowledges and is grateful for the high level of support offered by the Shire of Donnybrook-Balingup. The Shire provides our premises under a peppercorn lease arrangement and is a generous supporter of community groups, the Community Resource Centre being one of those beneficiaries. We look forward to a continued positive working relationship.

Community Partners

The Donnybrook CRC is very appreciative of the loyalty of our members and other supporters. Working collaboratively with stakeholders is very important to us and we are keen to continue to grow our relationships with individuals and organisations in our community.

Special Thanks

Special thanks to all our volunteers who offer their time and energy to assist the Donnybrook CRC and the Preston Press Community Newsletter. Their contributions enable us to continue providing an affordable and quality service to our community. Their assistance is invaluable to us, and we would not be without it. We also thank the local community groups who continue to support us through their membership and collaborating in activities.

University of the Third Age

Treasurer's Report

Overview

From a financial perspective, this was not the easiest of years. A contributing factor was that the CRC provided assistance to the Town Team by being the means for it to manage its finances. This assistance complicated the financial management of the CRC, to some extent, but the benefit was a worthwhile contribution to our community. Once again, the CRC and Preston Press were financially well managed by the staff.

The combined financial outcome for the CRC and the Preston Press was a Loss of \$17,343.00. Whilst this is a disappointing outcome, from a purely financial perspective, the CRC is focused on managing its finances in the current financial environment.

Donnybrook CRC

Whilst the basic outcome for the CRC was a loss of \$14,200.00 for the financial year, the finances were managed as efficiently as possible. The staff and the committee are aware of the difficult financial environment impacting on all organisations and will continue to work on maintaining financial stability.

A contributor to the deficit was the overall increase in salaries expenditure. This increase was brought about mainly due to normal business practice such as annual reviews and general staff issues etc,and was in line with expectations. The future staffing of the CRC and related financial matters is an issue that will need to be addressed in the coming financial year.

The CRC expended \$7,345.00 on computers. The expenditure was financed through

funding obtained in the previous financial year and is therefore not matched by income in this financial year.

The Preston Press made a \$40,310.00 transfer to the CRC. This is a \$9,980.00 increase on the previous year. The primary reason for this increase is the change of editor and related expenditure.

Income

The total income for the financial year was \$222,154.00. This is an increase over the income for the 2021/22 financial year of \$22,884.00.

The significant issues are:

- The CRC obtained \$106,707.00 from the Department of Primary Industry and Regional Development (DPIRD). This is a small increase of \$3,639.00 on the previous years support. The CRC greatly appreciates the support provided by DPIRD and its on-going support will enable the CRC to continue providing our services to the community.
- The Services Australia funding of \$27,038.00 is also appreciated. The level of services being provided by the CRC staff however has continued to increase as the community has needed more and more assistance. This issue will need to be considered by the committee in the coming year.
- The Preston Press transferred \$40,310.00 for salaries to the CRC during the financial year. The Preston Press also transferred a monthly payment of \$100.00 to the CRC for

- access to its facilities. This payment is a minimal amount and is subject to review.
- The CRC's sales and services income has risen over the previous year by \$2,833.00. This income increase is appreciated. There will be a review of service charges carried out during the next financial year seeking means to improve the financial return.
- The community initiatives expenditure of \$5,329.00 relates to the Donnybrook Town Team and is support being provided by the CRC.
- Expenditure on insurances, consumables, photocopier usage, etc are as expected.

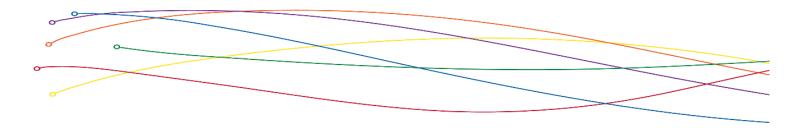

All of the expenditures made by the CRC were consistent with the committee's expectations and met the operational needs.

Expenditure

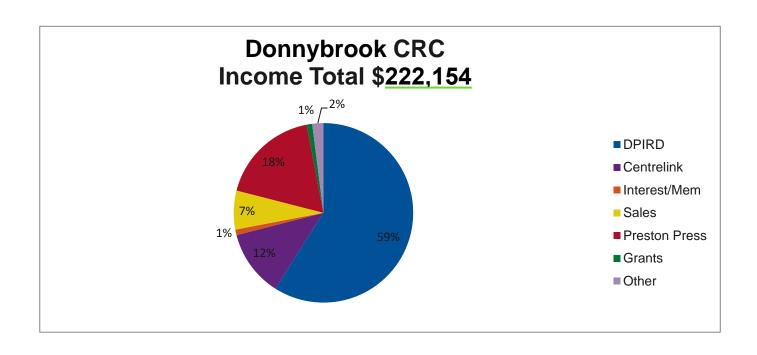

The total expenditure for the CRC was \$236,354.00. This is an increase of \$34,818.00 over the previous year.

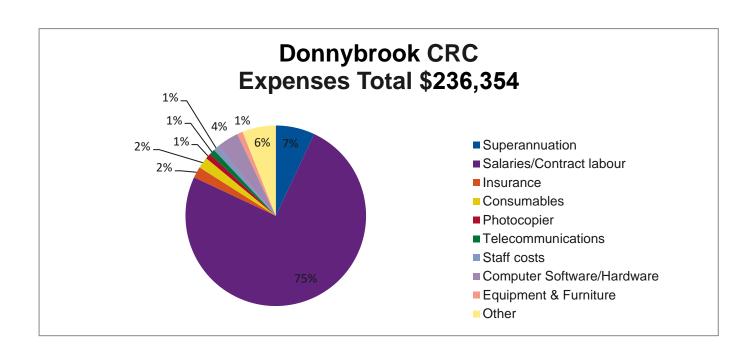

The primary contributors to this outcome are:

 The employment expenses rose by \$20,131.00. Whilst this is a significant increase, it is not an unexpected outcome and is in line with expectations.

DPIRD grant - conference room upgrade

Preston Press

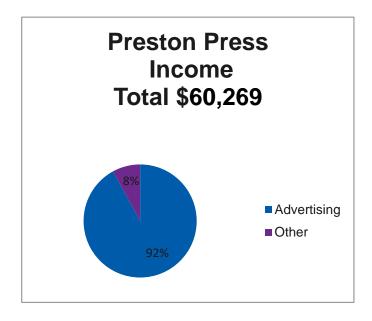

The Preston Press has again provided a very service to our community. valuable Unfortunately, the paper again recorded a small loss. Whilst this loss is regrettable, it is in part due to the significant increase in printing costs that were incurred for the last few months of the financial year. The decision of IVE Printing to cease its operations meant that the Preston Press had to obtain new printing services. Whilst the quality of the printing is considerably better than previous, the monthly cost increase will have to be offset by an increase in advertising charges and other funding sources.

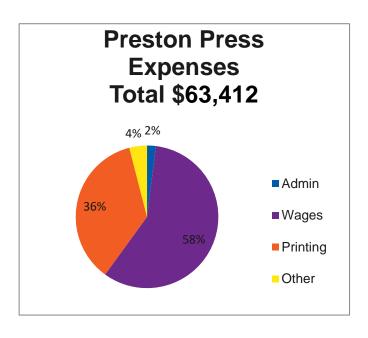

The major contributing factors to the Preston Press performance were:

- The total income for the financial year was \$60,269.50, this is an increase of \$5,233.67 over the previous year.
 Whilst this is a pleasing result, it is still behind the income obtained in previous years.
- The advertising income of \$55,198.12 is an improvement on the income for the previous year of \$5,408.00. There was an increase in advertising charges but a small fall in the number of adverts.
- The total cost of printing for the financial year was \$21,442.00 which is only an increase of \$2,663.00 on the previous year. This was due to the significant increase in the last few months of the year.
- The wages for the editor increased by \$1,379.24 which is in line with the expected increase.
- The Donnybrook Council provided \$5,000.00 under the service level agreement between the Council and the CRC. This funding has been a significant benefit to the Preston Press and has helped maintain the high standard of the publication.

As in previous years, the manager of the CRC has spent time reducing the amount of outstanding debt owed to the Preston Press. This has helped maintain the current low level of debt.

The Preston Press has continued to pay a minimal sum to the CRC for access to its facilities. This has again led to a subsidy being provided by the CRC. This issue, together will the other costs of production, will be reviewed by the Committee in the coming financial year.

Audit results

The audit was carried out by David Paine of NFP Audits. The audit did not identify any issues of significant concern for the CRC. The Audit Report has been reviewed by the management, the CRC Committee and the Bookkeeper. Graham M Sherriff, Audit and Accounting Service once again conducted the annual audit. There were no issues of any significance identified by the audit concerning either the CRC or the Preston Press. The minor issues mention in the audit have been addressed by the management.

Thanks

For a number of years, the audit for the CRC and Preston Press was undertaken by Graham M Sherriff, Audit and Accounting Services. Mr Sherriff has now retired from this role. His work for the CRC has been greatly appreciated and his advice has help the CRC manage its finances. We wish him well for the future.

The bookkeeping work has been undertaken by Michaela Raccanello. Her help with keeping the financial records, producing the monthly reports for the CRC Committee and her advice has been appreciated.
